

# The Castaways – Part 2

Go back into your original groups. You are now going to be given two new situations. As a group, you are to decide what to do and how these new situations are going to change your lives on the island.

**SCENARIO 1:** A person has arrived on the island with a weapon. He declares that he is in charge. Out of fear for your lives, your group agrees to follow him. (Government by one)

**SCENARIO 2:** As a group you must decide on issues by voting.

## COMPLETE THE FOLLOWING TASK:

In the chart below, list the advantages, disadvantages and interesting points of EACH scenario.

Type of Government	Advantages	Disadvantages
Government by One		
Government by Voting
